FedEx

FedEx Web Services Production Access Confirmation

1 Application Profile **2** License Agreement **3** Contact Info **4** Developer Info **5** Confirmation

Congratulations! Your Production System Access information is confirmed.

There are two parts to the FedEx Authentication process. There is a security code and a production key.

Please retain the following information in a secured environment. You will need this information to run your Web Services in the FedEx Production environment.

A confirmation email will be sent to you with your Production password and directions for executing your FedEx Web Services application in the FedEx Production environment. The Authentication Key will **not** be included in your email.

Supported Web Services:	FedEx Web Services for Shipping
Authentication Key:	VS0Rhi0u0JKmQb3J
Meter Number:	110221073
